

**ZARDOZ NOTwax®
IS THE QUICKEST
& EASIEST WAY
TO "WAX" YOUR
BOARD OR SKIS!**

**Simply
Wipe & Go!**

No Tools Required!

**ZARDOZ NOTWAX IS A PATENTED
100% PURE LIQUID TEFLON®
FLUOROPOLYMER BASE TREATMENT**

No silicone, no water, no petroleum
distillates and NO WAX!

SIMPLY WIPE AND GO – no messy
pastes and no ironing or scraping
required. Use in any snow conditions –
the wetter the better.

**USE INSTEAD OF WAX OR ON
TOP OF WAX** – when used on top
of traditional wax, NOTwax helps it
last longer and perform better.

**"Its combination of easy
application, durability, and
shear slickness in a wide
range of conditions should
make it a classic."**

Skiing Magazine

**"When using Super Z
you can actually
see the cleaner
do its work."**

Inside Tracks

**"Our testers found
that NOTwax allowed
them to haul ass
all day long without
reapplication."**

Board Test Magazine

**"NOTwax provided good
glide characteristics in just about
all snow conditions."**

ZARDOZ[®] SUPER Z[™] CITRUS BASE CLEANER

Zardoz Super Z quickly removes residual wax & embedded grime from ski and snowboard bases. Super Z is a natural cleaner derived from citrus peel extracts. Contains 100% active and 100% biodegradable ingredients for high-end equipment. Available in 120ml / 4oz size (clamshell – 12 units per case), and 500ml (6 per case).

ZARDOZ[®] FLUORO WAXES

Zardoz High Fluoro & Low Fluoro hard waxes combine sub-micron fluoropolymer solids with a competition-grade wax to achieve the perfect balance between speed and durability. Use High Fluoro for warm, wet conditions and Low Fluoro for cold, dry conditions. Available in 60g blocks with 6 per case. Includes display tray.

ZARDOZ[®] TUNE-UP KIT

The Zardoz Ski & Board Tune-Up Kit contains all the tools needed to clean and prepare your base for the slopes. Perfect for skiers and snowboarders that want a fun day on the slopes but lack the time or tools for traditional base preparation. Includes Pocket Puck, Super Z base cleaner and scrub sponge. 12 units per case.
